

Allround Leather Sealant

Vinyl, imitation leather and genuine leather sealant for boats

page 1 of 1

Sealant for vinyl, imitation leather and silk-matt surface-dyed smooth leather. Allround Leather Sealant protects the surface from soiling and wear with a thin film. The silky matt finish gives the surface a like-new appearance. Suitable for boat upholstery.

Areas of use

Vinyl upholstery, imitation leather coverings or surface-dyed smooth leather for boat or furniture upholstery. Not suitable for textiles.

Recommendations for use

Before use, clean the surface with Allround Leather Cleaner and allow to dry completely. Apply a thin layer of Allround Leather Sealant with a sponge and remove the residue with a soft viscose cloth. Then polish with the cloth and allow to dry. Treat heavily used surfaces every 3 months, normally used surfaces every 6 to 12 months.

Container

Container	Item no.
10 STK	523001

Warnings

Check for material compatibility before use. Only use on washable surfaces. Do not use on hot surfaces. Do not allow to dry. Protect from frost and heat.
